You may print off one copy, and may download extracts, of any page(s) from our site for your personal use and you may draw the attention of others within your organisation to content posted on our site.

You must not modify the paper or digital copies of any materials you have printed off or downloaded in any way, and you must not use any illustrations, photographs, video or audio sequences or any graphics separately from any accompanying text.

Our status (and that of any identified contributors) as the authors of content on our site must always be acknowledged.

You must not use any part of the content on our site for commercial purposes without obtaining a licence to do so from us or our licensors.

If you print off, copy or download any part of our site in breach of these terms of use, your right to use our site will cease immediately and you must, at our option, return or destroy any copies of the materials you have made.

DO NOT RELY ON INFORMATION ON THIS SITE

The content on our site is provided for general information only. It is not intended to amount to advice on which you should rely. You must obtain professional or specialist advice before taking, or refraining from, any action on the basis of the content on our site.

Although we make reasonable efforts to update the information on our site, we make no representations, warranties or guarantees, whether express or implied, that the content on our site is accurate, complete or up to date.

We have no control over the contents of those sites or resources.

USER-GENERATED CONTENT IS NOT APPROVED BY US

This website may include information and materials uploaded by other users of the site, including to bulletin boards and chat rooms. This information and these materials have not been verified or approved by us. The views expressed by other users on our site do not represent our views or values.

PROHIBITED USES

You may use our site only for lawful purposes. You may not use our site:

- In any way that breaches any applicable local, national or international law or regulation.
- In any way that is unlawful or fraudulent, or has any unlawful or fraudulent purpose or effect.
- For the purpose of harming or attempting to harm minors in any way.
- To send, knowingly receive, upload, download, use or re-use any material which does not comply with our content standards. See Content Standards section below.
- To transmit, or procure the sending of, any unsolicited or unauthorised advertising or promotional material or any other form of similar solicitation (spam).
- To knowingly transmit any data, send or upload any material that contains viruses, Trojan horses, worms, time-bombs, keystroke loggers, spyware, adware or any other harmful programs or similar computer code designed to adversely affect the operation of any computer software or hardware.

You also agree:

- Not to reproduce, duplicate, copy or re-sell any part of our site in contravention of the provisions of our terms of website use.
- Not to access without authority, interfere with, damage or disrupt:
 - any part of our site;

 - any equipment or network or software owned or used by any third party.

INTERACTIVE SERVICES

We may from time to time provide interactive services on our site, including, without limitation:

- Chat rooms.
- Bulletin boards.

(interactive services).

Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is

moderated and what form of moderation is used (including whether it is human or technical).

We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of our content standards, whether the service is moderated or not.

The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not foolproof. Minors who are using any interactive service should be made aware of the potential risks to them.

Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.
